COVENANT FOR MAINTENANCE AND IMPROVEMENT ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. Each Owner of a Lot, by acceptance of a deed, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to become a member of the Eagle Glen Homeowners Association, Inc. ("Association"). Each Owner of a Lot, by acceptance of a deed, whether or not it shall be so expressed in such deed, is likewise deemed to covenant and agree to pay to the Association (1) annual assessments which may or shall be levied by the Association, and (2) special assessments, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest and costs of collection, as hereinafter provided, including reasonable attorney's fees, shall be a charge and continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest and costs of collection, including reasonable attorney's fees, shall also be the personal obligation of the Person who was the Owner of such Lot at the time when the assessment fell due. The personal obligation for delinquent assessment shall not pass to his or her successors-in-title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for promoting the health, safety, pleasure and welfare of the Owners of the Lots and the costs and expenses incident to the operation of the Association, including, without limitation, the maintenance of services furnished by the Association, the purchase of insurance by the Association, the repair and replacement of improvements on the Common Areas, payment of all taxes, insurance premiums and all costs and expenses incidental to the operation and administration of the Association, and the establishment and maintenance of a reasonable reserve fund or funds. It is intended that all Common Area improvements, including but not limited to the median areas at each subdivision entrance, landscaping, signage and lighting, are to be maintained by the Association using funds from the assessments to pay such costs.

Section 3. Special Assessments. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, special assessments applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including but not limited to roads, sidewalks, signage, and/or drainage systems provided that any such assessment shall have the assent of a majority of the Owners voting in person or by proxy at a meeting duly called for such purpose. Special assessments may also be levied by the Association if for any reason the annual assessments prove inadequate to defray the expenses of the Association in fulfilling its duties and obligations hereunder, subject to the consent of the members as set forth above.

Section 4. Notice and Quorum for any Action Authorized Under Section 3. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 of this Amendment to the Covenants and Restrictions above shall be sent to all Owners not less than ten (10) days nor more than thirty (30) days in advance of the meeting. At the first such meeting called, the presence of Owners or of proxies entitled to cast fifty percent (50%) of all the votes shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. NO such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 5. Written Notice. Any written notice required under this Amendment to the Covenants and Restrictions shall be accomplished by any one of the following: a) United States First Class mail; b) Hand Delivery to the mailbox of each Lot; or c) via electronic mail (e-mail) to the e-mail address maintained by the Association for each Lot Owner or their Proxy.

Section 6. Rate of Assessment. Annual assessment shall be fixed at a uniform rate for all Lots and shall be set by the Board of Directors of the Association subject to approval by a majority vote of the Owners present at the Annual Meeting of the Association. The Owners shall be notified of any proposed increase in the Annual Assessment no later than five (5) days prior to such Annual Meeting. The Annual Rate of Assessment shall be \$125.00 per Lot, subject to modification as provided in this Section 6.

Section 7. Date of Commencement of Annual Assessment Due Dates. The Annual Assessment shall become due and payable on the first day of January of each calendar year. Any new Owner of a Lot shall pay a prorated part of the annual assessment as of the first day of the month following the date such Person becomes a member of the Association. Upon a person ceasing to be a member of the Association, such member shall not be entitled to any refund of his or her annual assessment.

Section 8. Remedies of the Association due to Nonpayment of Assessment. Any assessments which are not paid when due shall be delinquent. If the assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency of the maximum legal rate per annum. In such case, the Association may accelerate, at its option, the entire unpaid balance or the assessment and may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against such Owner's Lot, and interest, costs and reasonable attorney's fees for any such action shall be added to the amount of such assessment. Each such Owner by his or her acceptance of deed to a Lot, hereby expressly vests in the Association, or its agents, the right and power to bring all action against such Owner personally for the collection of such charges as a debt and to enforce the aforesaid lien by all methods available for the enforcement of the liens against real property. The lien provided for in this Section shall be in favor of the Association and shall be for the benefit of all other Owners. No Owner may waive or otherwise escape liability for the assessments provided

for herein by non-use of the Common Area, abandonment of his or her Lot or by renunciation of membership in the Association.

Section 9. Suspension of Membership Rights. If an Owner shall have failed to pay when due any assessment or charge lawfully imposed upon him or her on any property owned by him or her, or if the Owner, his or her family, or guests shall have violated any of the covenants contained in this Declaration or any rule or regulation of the Board regarding the use of any property or conduct with respect thereto, then the Board shall provide written notice to the Owner by certified mail, setting forth in reasonable detail the nature of the violation and the specific action or actions required to remedy the violation. If the Owner shall not have taken reasonable steps toward the required remedy action within 20 days of the mailing of aforesaid notice of violation, then the Board may suspend the membership rights (including voting rights) of the Owner.

Section 10. Subordination of the Lien to First Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or deed of trust, first purchase money security deed, or security deed representing a first lien on said property. However, the sale or transfer of any Lot pursuant to foreclosure of a first mortgage or deed of trust or proceeding in lieu thereof shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve the Owners of such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 11. Exempt Property. The following property subject to this Declaration shall be exempted from the assessments, charges and liens created herein:

- (a) all properties to the extent of any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use;
- (b) all Common Areas; and
- (c) all properties exempted from taxation by state or local governments upon the terms and to the extent of such legal exemption.

Notwithstanding any provisions herein, no land or improvements devoted to dwelling use shall be exempt from said assessments, charges or liens.
